² The Account must be open and in good standing effective as at October 26, 2023 in order to qualify.

³ You will earn 1% cash back on your annual spend on gas station, grocery store and drug store purchases and on recurring payments. 1% cash back applies at merchants which are classified in the Visa Inc. (Visa) network as Grocery Stores & Supermarkets, Drug Stores & Pharmacies, Service Stations (with or without ancillary services), Automated Fuel Dispensers and Recurring Payments (Merchant Codes: 5411, 5541, 5542 & 5912). Recurring payments are defined as payments made on a monthly or regular basis automatically billed by the merchant to your Scotia Momentum No-Fee Visa card. Recurring payments are typically telecommunication, insurance, membership, subscriptions etc. purchases. Not all merchants offer recurring payments. (Please check with your merchant to see if they offer recurring payments on Visa cards.) Some merchants may sell these products/services or are separate merchants who are located on the premises of these merchants, but are classified by Visa in another manner, in which case this added benefit would not apply. You will earn 0.5% cash back on all other eligible purchases made with the card. Purchase returns, payments, cash advances, balance transfers, Scotia® Credit Card Cheques, credit vouchers, card fees, interest charges or service/transaction charges do not qualify for cash back.

⁵ For certain cards, a credit approval or other eligibility requirements may be necessary.

⁶ Scotia Credit Card Protection is underwritten by Chubb Life Insurance Company of Canada under a Group Policy issued to the Bank of Nova Scotia. All coverage is subject to the terms and conditions outlined in the Certificate of Insurance which you will receive within 30 days once your Scotia Credit Card Protection application has been approved.
