

Scotia Money Market Fund - Premium Series

Canadian Money Market

Investment Objective

The fund's objective is to provide income and liquidity, while maintaining a high level of safety. It invests primarily in high quality, short term fixed income securities issued by Canadian federal, provincial and municipal governments, Canadian chartered banks and trust companies, and corporations.

Reasons for Investing

- Safety through diversification by investing in multiple high quality securities with multiple maturity terms and from multiple issuers.
- Offers highly liquid, short-term safety by investing in securities with an average term to maturity of between 30 and 90 days.
- Provides the convenience of expert professional money management.
